

APPLICATION FOR ENTRY “THE FRINGE” AT ARTLOCO

Please note for this exhibition only there is a set exhibiting fee of £80 regardless of the amount of work you would like to exhibit (minimum of 2 items, maximum of 5, please contact Sallie if you wish to display more than 5 items) then all work sold has NO commission added. This exhibition runs at the same time as the “September Art Show” in Wadhurst and to complement that exhibition Artloco is running the Fringe. As the “September Art Show” has a no commission policy Artloco is doing the same. Artloco is working with the committee at the “September Art Show” in publicity etc and we are very excited what this will bring to the region.

This is a non themed exhibition and all work will be considered.

There is no guarantee that your application will be successful but we will try to accommodate as many artists as possible.

This exhibition runs from the September 1st – September 14th. Private view is on September 1st from 7 – 9pm.
